(February 25, 2013)**

In compliance with Order No. 1625,¹ the United States Postal Service gives notice of filing Global Expedited Package Services – Non-Published Rates 4 (GEPS NPR 4) customer agreements with serial numbers ending in 0004-0005, 0009, 0011-0014, and 0023.² The effective dates for the eight agreements filed with this notice are listed below

The Postal Service is filing these eight contracts with the Commission under seal. The eight agreements are derived from a common template³ and would appear essentially the same when redacted. Therefore, the Postal Service requests that the Commission consider the redacted version of the customer agreement with serial

¹ Order No. 1625, Order Adding Global Expedited Package Services – Non-Published Rates 4 (GEPS – NPR 4) to the Competitive Product List, Docket Nos. MC2013-27 and CP2013-35, January 16, 2013, at 7.

² The full serial number, which contains fields useful to the Postal Service's administration of the contracts, appears on the first page of each contract and in the text of this Notice.

³ The common template is the GEPS – NPR 4 model contract, which was included as Attachment 4 to Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 4 (GEPS – NPR 4) to the Competitive Products List and Notice of Filing GEPS – NPR 4 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Dockets Nos. MC2013-27 and CP2013-35, December 21, 2012 ("GEPS – NPR 4 Request"). The agreement with the serial number ending in -0011 that is the subject of this notice includes an additional article concerning Conditions Precedent, which does not result in a change in rates. The article concerning Conditions Precedent was added to this contract because, to reduce the possibility of an interruption in service to the customer, it was necessary for the Postal Service to send this GEPS – NPR 4 agreement to the customer prior to January 16, 2013, when the Commission issued Order No. 1625.

number NPR4-FY13-JAN13-N-T5-0001, filed in this docket as Attachment 1 to the Postal Service's notice dated February 6, 2013, as representative of the contracts filed.⁴

The unredacted version of the inputs worksheet that was used to generate customer-specific rate tables for the eight agreements for which the Postal Service is providing notice is being filed with the Commission under seal. The redacted version of this input worksheet would appear very similar to the redacted inputs worksheet for the NPR4-FY13-JAN13-N-T5-0001 agreement that was included in the Postal Service's February 6, 2013 filing in this docket.⁵ Therefore, the Postal Service requests that the Commission consider the redacted inputs worksheet for the NPR4-FY13-JAN13-N-T5-0001 agreement as representative of the inputs worksheet that the Postal Service is filing today under seal with the Commission.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 21, 2012, notice in this docket.⁶ The application protects from disclosure information in the contracts and inputs worksheet that the Postal Service is filing today with the Commission under seal in this docket.
